FEEDBACK ON CURRICULUM

ACTION TAKEN REPORT

2016 -2017

IQAC of Deogiri College, Aurangabad collected feedback on curriculum from the stakeholders like students, parents, alumni, employers and teachers. The feedback was further analyzed and following actions were taken thereafter:

- The feedback on curriculum by students was positive hence the efforts of the teachers were appreciated.
- Teachers however were further instructed to enrich the curriculum with effective delivery of it and with co-curricular activities.
- It was also decided that the teachers in the department are to receive feedback from external expert out of the university so as to bring more objectivity in the feedback.
- The teachers were advised to use the feedback forms as the base for their analysis of outcome of their teaching process and ensure the outcomes of the curriculum as per the feedback given by the students and other stakeholders.
- To provide students with the opportunities to learn skills and value oriented things, the continuation of courses being run was advised.
- Dept of Biotechnology was instructed to continue with their regular courses.
- Along with courses of Dept of Botany and other departments, Dept of Computer Science & IT was advised to continue all the old short term courses being run.
- It was expressed that there would be collective efforts to be made by the college and each department to offer students with the opportunities of skill oriented courses like B.Voc in different areas.
