Sub: Submission of vital suggestions for effective enrichment of UG & PG curriculum.

Sir,

After a through exploration and examination of the prescribed curriculum at UG & PG and the results aroused out of the national symposium on curriculum organised by the Dept. of English of this college, we would like to submit a few vital suggestions for the constructive enrichment and effective delivery of UG & PG curriculum as follows:

1. There should be a separate curriculum of English Compulsory for BA, B Sc. & B. Com. A vital text, It Happened Tomorrow: An Anthology of SF Short Stories in India published by National Book Trust New Delhi. A textbook exclusively devoted to corporate literature should be prescribed to B Com. A textbook like Voices and Vision should be prescribed to BA.
2. At graduation level for BA III year Optional English under the compulsory subject of Literary Criticism the content related to Western and Indian Criticism, most particularly G.N. Devy's edited critical text, Indian Criticism: Context, Text and Practices should be prescribed.
3. Nature of evaluation should include CIE with theory and practice, objective and detailed comprehensive type details.
4. At post graduation level, a separate paper exclusively devoted to Science and Science Fiction with the proper nomenclature should be prescribed in lieu of the paper Science and Literature.
5. Instead of prescribing a few critical essays under the compulsory paper Critical Theory at PG level, all the traditional and modern vital theories, right from Mimetic School of Criticism to The Speech Act Theory, Eco-criticism.
6. A separate paper Research and Research Methodology should be prescribed at both UG & PG level.
7. Two vital courses designed and communicated by the UGC, Life Skills and Ethics and Values should be prescribed at UG & PG level.

Inclusion of the above studious suggestions is earnestly solicited from your side.

Thanking you,
