3. Introduction:

Each year, college forms **Social Science Forum** comprised of a few members from the departments of Social Sciences in order to undertake specific activities aimed for the overall development of learners. Prime aim of the forum is to enhance the skills among the students and nurture them with necessary skills and confidence needed to the learners of Social Sciences.

4. Objectives:

The main objectives of the forum are:

- To bring about a generation of eloquent speakers with the confidence to speak in public.
- To develop social and moral values amongst students.
- To develop skills required to facilitate the advancement and progress of the students.
- To inculcate the skills so as to help students to advance in their chosen field through the proper use and knowledge of social awareness.

5. Expected outcomes:

- The forum will develop social awareness among students.
- Students will be able to evaluate the social customs.
- Students will cultivate their capacity to judge the norms and prevailing trends in economics and politics of the nation.
- Students will be able to cultivate social values.
- Students will have developed leadership and interpersonal skills.
