Back Ground:-

In Feb 2015-2016 Deogiri College Library Started Mobile Library Service for Old Age Home People i.e. Matoshri Vrudhashram kanchanwadi, Paithan Road, Aurangabad.

Aim:-

To keep Old age home people physically active for healthy body and mind.

Goals and Objectives:-

- 1.To keep their mind active and prevent boredom.
- 2.To keep them away from illness and emotions.
- 3.Spend their time by reading their favorite books(reading is a fantastic activity for old age people)

Practice:-

Our Library Provide Mobile Library service for Old age home people twice in a month. User's Requisition of Books is taken on main library phone .After 15 days library department collects required material and then concern library staff handle it to deliver. This social activity is important for inculcating human values amongst the students, from this point of view at every visit with library staff students participation from different classes is also a significant part of this activity.

Evidence of Success:-

In academic year 2019-2020 there was 20 users and 117 total number of books issued.
