ANTI-NOISE POLLUTION ACTIVITY REPORT

Introduction:

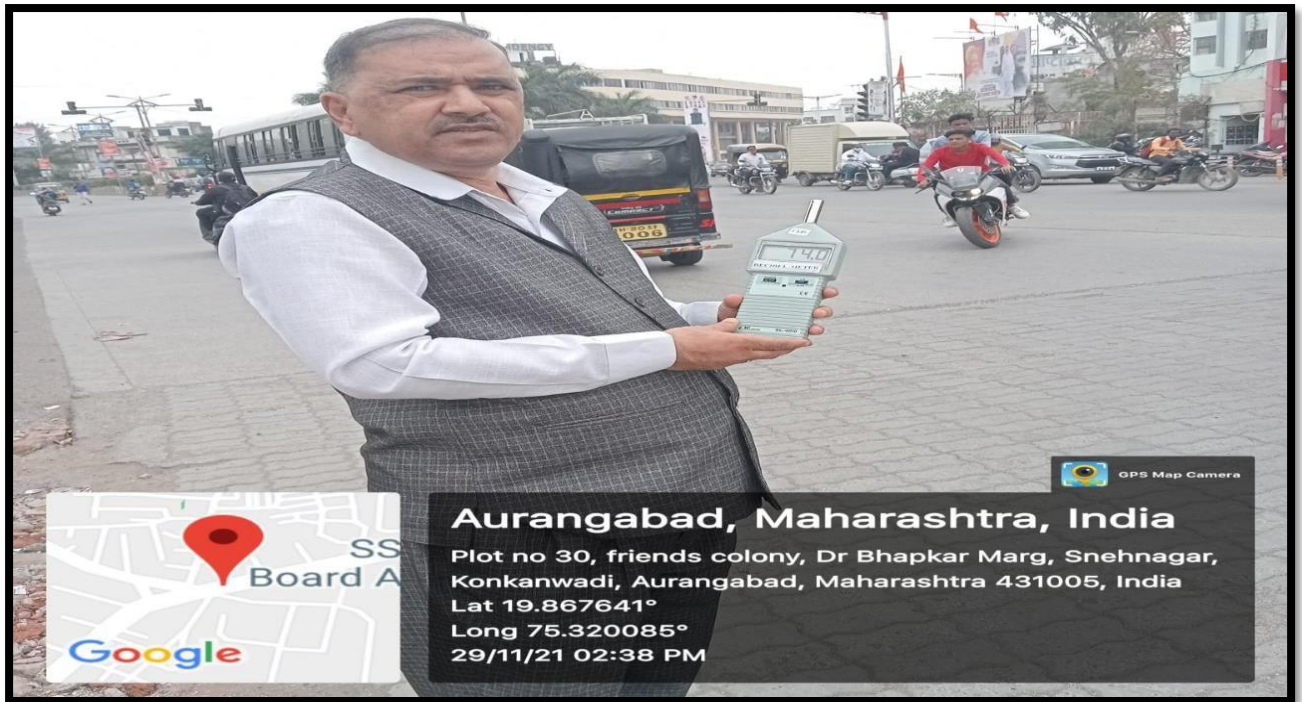

Green Club of Deogiri College, Aurangabad actively participates and organizes several programs about environmental conservation and awareness about different types of pollutions.

The club ensures more participation of students in the activities. The club has concentrated on many environmental issues. Following are few of the issues taken primarily for consideration:

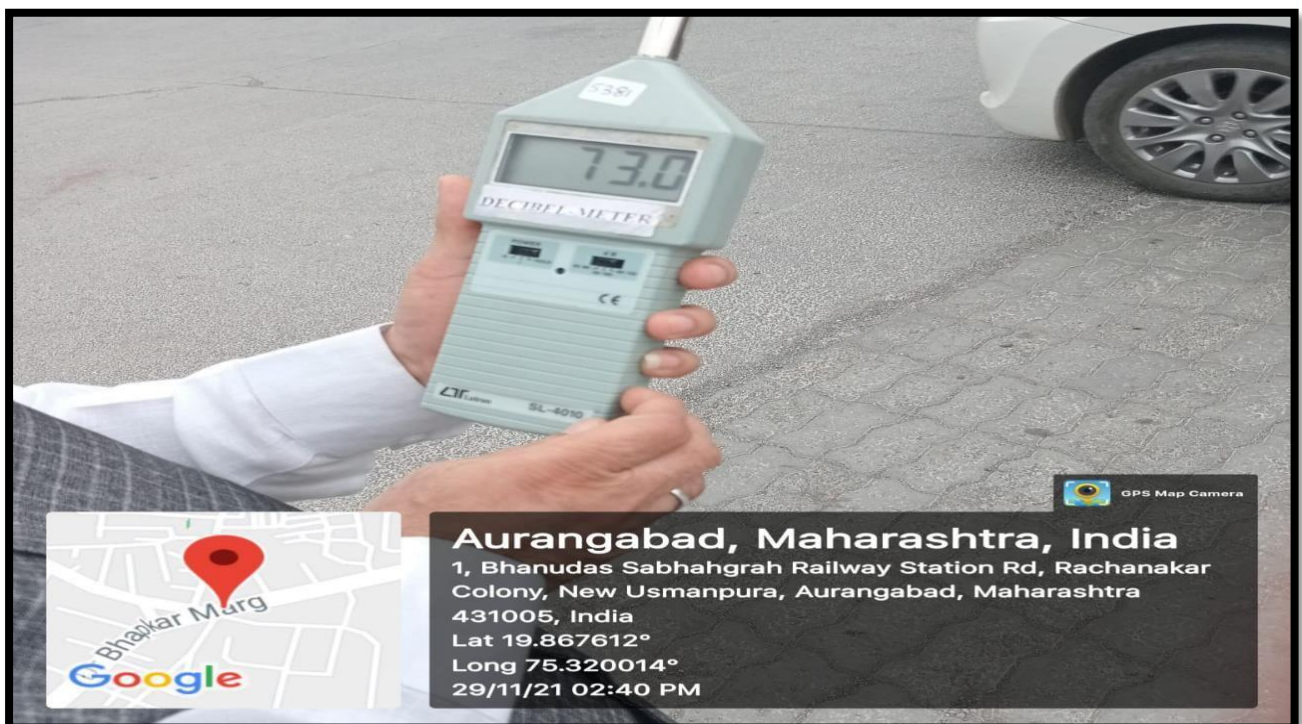

- A) Noise pollution
- B) Dangers caused to Ozone Layer due to Pollution
- C) Air Pollution
- D) Plantation
- E) Cleanliness Programs
- F) Health Awareness Program – herbal life
- G) No vehicle day observation

The club organized a survey on noise pollution and took noise reading at different places in the city of Aurangabad. It organized an online debate competition on Ozone Day. It also organized a special PUC Camp for the vehicles at the campus.

Students, teachers and non teaching staff actively participate in the activities and ensure their contribution towards environmental conservation activities.
