# Department of Chemistry

## Fun in Chemistry

Since 2011 on the occasion of **International Chemistry Year**, every year Department of Chemistry perform the activity as Fun in Chemistry for school students.

The main theme of such activity is to create an awareness and interest among the students in chemistry subject. Department of Chemistry teachers visit to various schools every year and demonstrate some their curriculum experiments in chemistry and some interesting experiments.

This year on 10<sup>th</sup> February 2020, a team of **Dr. R. D. Ingle, Dr. S. R. Bembalkar, Dr. V. S. Dofe and Dr. A. B. Kangare** visited to **Deogiri Girls High School, Samarth Nagar, Aurangabad**. Also 45 students were present and worked as volunteers.

They have demonstrated few chemistry experiments of school syllabus and some funny experiments which helped the students to create the awareness and interest in chemistry subject. The response from the school was excellent. 30 students and 07 teachers were present for the said event. All the students enjoyed this event. Along with the participation they also got involved in performing the experiments.

Following experiments made the students more enthusiastic.

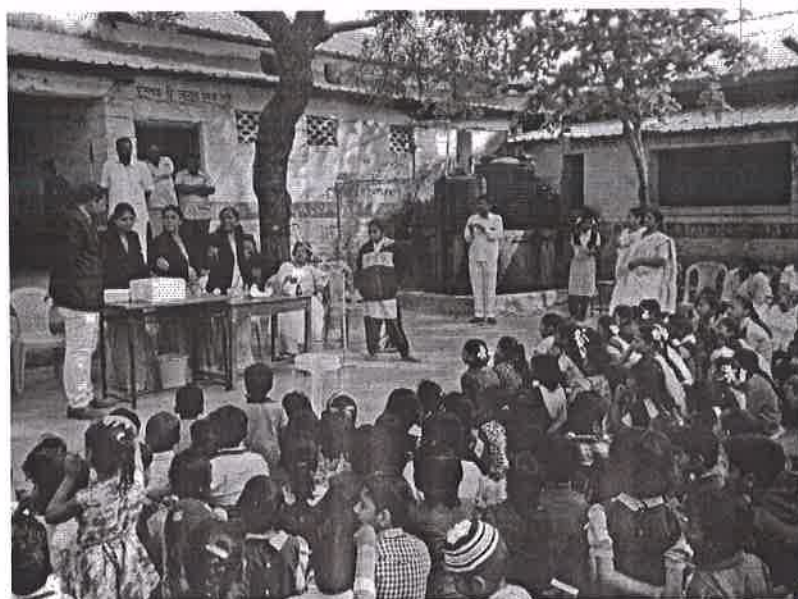

1. Glowing the Matchstick in Water
2. Catching the Fire without Matchstick.
3. Changing Colour of Solutions.
4. Chemical Volcano.

  
Principal  
Deogiri College,  
Aurangabad.

On the same occasion, the school inaugurated the exhibition of rangoli. Different colourful and beautiful pictures of rangoli having specific themes in science were drawn. Students also performed some experiments which were related to their syllabus. This made us very proud of students having interest in chemistry subject.
