Introduction:

Department of Zoology of MSP Mandals Deogiri College organized on day National webinar of Intellectual Property Rights on 23rd August 2021 in collaboration with IQAC, Deogiri College, Aurangabad. **Intellectual property protection is critical to fostering innovation.** Without protection of ideas, businesses and individuals would not reap the full benefits of their inventions and would focus less on research and development. IPR **Protect Researchers and their innovative ideas.** Strong IP rights help researchers make a choice about the safety, reliability, and effectiveness of their research and enforced IP rights ensure the work is authentic, and of the high-quality.

Aim and Objective:

This webinar aimed to bring in experts in several different research areas with focus on **Intellectual Property Rights (IPR)** to share good practices, create awareness about the **(IPR)** in order to avoid misuse or theft of data, and to protect the owners of those rights from financial loss.

The main objectives were

- (i) To promote the protection of intellectual property amongst the researchers
- (ii) To ensure administrative cooperation among the intellectual property treaties
- (iii) Discuss resolution system; minimize IPR infringements, piracy and counterfeiting
