Report of "Deeksharambh" - Induction Programme 2021 For B. Sc. F. Y. - Faculties of Science

1. Introduction:

Higher education is a new journey in the life of students. "Deeksharambh" - Induction Programme 2021 for the students of B. Sc. First Year was organized by the college on 27th November 2021. The programme was organized with the following aims and objectives:

- To introduce the learners to the new college life.
- To understand the aims and objectives of higher education.
- To familiarize learners with the institutional facilities and learning resources.
- To acquaint the learners with the Student Code of Conduct.
- To welcome the leaners in college campus.

The Science forum, Deogiri College, Aurangabad organized one-day induction programme – [**Deeksharambh**] for the freshers of B. Sc. Programme. The objective of this programme was to introduce new leaners to the college environment and get them acquainted with the institutional culture.

The induction programme comprised of welcome of students and guidance about the college facilities. Professor Dr. Mrs. C. S. Patil, Vice-Principal and Head of Chemistry Department welcomed the students and addressed the code of conduct. Another Vice-Principal Dr. A. N. Ardad provided a brief information about the teaching learning facilities provided by the college for the sake of learners. Principal Professor Ashok Tejankar guided the students about various departments, courses, competitive examination center, training and placement cell etc. A total 223 students participated in this programme. Dr. Sunil Tekale anchored this programme.

Report of "Deekshrambh" - Induction Programme 2021

1. Introduction:

The student transition from school to college life is one of the most challenging events in student's life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. They come into a new unfamiliar environment, and most of them have little knowledge of a college. An important task, therefore, is to welcome new students to Higher Education, introduce them to the college campus and prepare them for new role.

The Department of Computer Science, Information Technology & Animation, Deogiri College, Aurangabad organized one day induction programme for the fresh entrants to B. Sc. C.S., B. Sc. I.T., BCA (Sci.) & B. Voc. Multimedia and Animation programmes. The objective of this programme was to introduce new leaners to the college environment and get them acquainted with the institution culture. The induction programme comprised of Welcome ceremony, Guidance about programme, address on code of conduct for the students by honorable Principal - Prof. Ashok Tejankar. A total 241 students participated in this programme which was organized on 1st December 2021. Dr. Yogita S. Patil performed anchoring for this program. Faculty and student volunteers across the programme worked extensively under the guidance of Head of the Department of C.S., I.T. & Animation Prof. S. N. Helambe to ensure that the induction was well organized.

Report of "Deeksharambh" - Induction Programme 2021

Department of Biotechnology and Bioinformatics

1. Introduction:

The change in student's life from school to college is a new aspect in student's life. When students enter a new institution, they come with diverse thoughts, backgrounds, and preparations and get an opportunity for further education. Such students have little knowledge of life skills as well as aims and objectives of higher education. Thus an important task is to make the students aware of college life and provide them an insight into the higher education.

The purpose of Deeksharambh - "Student Induction Programme" is to help new students to adjust and feel comfortable in the new environment, inculcate in them the ethics and culture of the institution, help them to develop new bonding bonds with other students and faculty members, and expose them to a sense of larger purpose and self exploration.

Student Induction Programme engages the new students as soon as they come into the institution, before the start of regular classroom schedule. At the start of the induction, the incumbents learn about the institutional policies, processes, practices, culture and values, and their mentor groups are formed.

Higher education is a new journey in the life of students. "Deeksharambh" - Induction Programme 2021 for the students of B. Sc. First Year was organized by the Department of Biotechnology and Bioinformatics on 01st December 2021.

2. Aims and Objectives:

- To introduce the learners to the new college life.
- To understand the aims and objectives of higher education.
- To familiarize learners with the institutional facilities and learning resources.
- To acquaint the learners with the Student Code of Conduct.
- To welcome the leaner's in college campus.

Department of Biotechnology, Deogiri College, Aurangabad organized one-day induction programme – [Deeksharambh] for the students of B. Sc. Biotechnology & Bioinformatics F. Y. students. The induction programme comprised of welcome of students and guidance about the college facilities. Mr. M. A. Jadhav, Head, Department of Biotechnology welcomed the students and addressed the code of conduct. Vice-Principal Prof. Dr. Mrs. C.S. Patil & Dr. A. N. Ardad provided brief information about the teaching learning facilities provided by the college. Principal Professor Ashok Tejankar guided the students about various facilities available in the department. A total 120 students participated in this programme. Ms. Devkirani Pawar anchored this programme.
