PERSONAL GOAL SETTING

Financial Goals

- How important is money to you and your family?
- How much money do you need to earn and what are your goals when you retire from work?
- How much of your income do you spend and save and what plans have you made for your long term financial security?
- Set priorities on expenditure
- Don't buy more than what you "really need"
- Always think how you can accomplish things economically
- Have you accumulated enough money to handle an emergency situation?
- Getting out of debt - and staying out
- Ensuring that your parents are comfortable and well taken care of in their old age

What is Group Discussion?

- It is essentially a verbal oriented performance where participants have to talk their way out
- It is a technique of a situational social for assessing candidates as well as testing their personality
- It is a bio-called leadership situation as it aims to find out the natural leadership level of candidates
- It is used as a tool to assess candidates in a group or groups in order to select the best in comparative perspective

"Soft Skills Sessions"**Introduction about Soft skill:**

Soft skills are character traits and interpersonal skills that characterize a person's relationships with other people. In the workplace, soft skills are considered to be a complement to hard skills, which refer to a person's knowledge and occupational skills. Sociologists may use the term soft skills to describe a person's emotional intelligence quotient (EQ) as opposed to intelligence quotient (IQ).

Soft skills have more to do with who people are, rather than what they know. As such, they encompass the character traits that decide how well one interacts with others and usually are a definite part of an individual's personality.

About Soft skill Sessions:

Soft skills sessions were conducted on a regular basis for the undergraduate students of Computer Science, IT & Animation students. The sessions included training in Grooming, Conversation etiquettes, Telephonic Conversations Group Discussions, Debates, Role Play and Etiquettes The students were divided into groups and mentored and guided and trained in soft skills

MEMORANDUM OF UNDERSTANDING FOR EXCHANGE & COLLABORATION IN TERMS OF ACADEMIC ACTIVITIES RELATED TO DEPT OF MARATHI

Between
M. S. P. Mandal's Deogiri College, Aurangabad

&
Vivekanand Arts, Sardar Dalipsing commerce & science College, Aurangabad

This Memorandum of Understanding (MoU) is entered into under the agreement on exchange and collaboration in academic and Marathi language and literature related activities on the 5th day of July, 2021 by and between Deogiri College, Aurangabad (hereinafter called DCA) situated at Aurangabad (Maharashtra), an institution run by Vivekanand College, Aurangabad, Dist. Aurangabad (hereinafter called VCA).

The aforesaid institutes are hereinafter referred to individually as *Institute* and collectively as *institutes*.

1. Objectives of the MoU

The objectives of the MoU are majorly constituted for all activities between Dept of Marathi from both the institutions:

- To have exchange and collaboration for various student related activities.
- To have joint efforts to organize research, awareness and other academic programs.
- To have joint language awareness and literary programs.

Principal
Deogiri College,

2. Technical Areas of Collaboration

- a) DCA & VCA will have collaboration in terms of students' programs and dissemination of information related to language and literature.
- b) DCA & VCA will have collaborations on organization of seminars, workshops, conferences, etc
- c) DCA & VCA will have joint efforts for undertaking joint research projects and general research activities.

Terms and Conditions

The MoU would be executed under the following (and not restricted to) the general guidelines:

- 1. Both institutions will share information related to language in general of Marathi in particular and its literature for promotion of different values.
- 2. Both the Departments from the colleges will actively contribute in the joint programs and activities.
- 3. Changes to this agreement shall be made by mutual consent between both institutions.
- 4. Both entities will designate nodal contacts (persons who will have responsibility) for implementation of this agreement.
- 5. DCA & VCA will follow the timeline and schedule designed for timely accomplishment of the joint academic activities.
- 6. Expenditure for all above mentioned joint activities will be borne by both the institutions with mutual understanding.

3. Duration of MoU

This MoU shall be in effect for five years from the date of sanction of the scheme to the college and automatically extended after the expiration for the same duration, unless written intent of termination by either party is presented three months prior to the date of expiration.

This Memorandum of Understanding (MoU) is entered into under the agreement on exchange and collaboration in academic and Marathi language and literature related activities on the 5th day of July, 2021 by and between Deogiri College, Aurangabad (hereinafter called DCA) situated at Aurangabad (Maharashtra), an institution run by Vivekanand College, Aurangabad, Dist. Aurangabad (hereinafter called VCA).

The aforesaid institutes are hereinafter referred to individually as *institute* and collectively as *institutes*.

I. Objectives of the MoU

The objectives of the MoU are majorly constituted for all activities between Dept of Marathi from both the institutions:

- To have exchange and collaboration for various student related activities.
- To have joint efforts to organize research, awareness and other academic programs.
- To have joint language awareness and literary programs.

Principal
Deogiri College,
Aurangabad.

2. Technical Areas of Collaboration

- a) DCA & VCA will have collaboration in terms of students' programs and dissemination of information related to language and literature.
- b) DCA & VCA will have collaborations on organization of seminars, workshops, conferences, etc
- c) DCA & VCA will have joint efforts for undertaking joint research projects and general research activities.

Terms and Conditions

The MoU would be executed under the following (and not restricted to) the general guidelines:

- 1. Both institutions will share information related to language in general of Marathi in particular and its literature for promotion of different values.
- 2. Both the Departments from the colleges will actively contribute in the joint programs and activities.
- 3. Changes to this agreement shall be made by mutual consent between both institutions.
- 4. Both entities will designate nodal contacts (persons who will have responsibility) for implementation of this agreement.
- 5. DCA & VCA will follow the timeline and schedule designed for timely accomplishment of the joint academic activities.
- 6. Expenditure for all above mentioned joint activities will be borne by both the institutions with mutual understanding.

3. Duration of MoU

This MoU shall be in effect for five years from the date of sanction of the scheme to the college and automatically extended after the expiration for the same duration, unless written intent of termination by either party is presented three months prior to the date of expiration.

Report on

**Talks on Language and Communications Skills
under
Communication Skills Development Program**

Sessions on **Language and Communications Skills** under **Communication Skills Development Program** were conducted by Ms. Nandini Watwe an English expert and instructor, for the students of I, II YR MSC (CS), MSC(IT), I, II, III YR students of Biotech, BCA(SCI), BSC IT and BCS. A total of **752** students participated in the program.

Communication is interactive. It requires language and the understanding of the nuances. It requires active participation of persons involved in the communication. The receiver can ask for clarification or add one's own ideas and views to the conversation. At the end of such a conversation, both gain information on the issue talked about as well as about each other, it is more satisfying and leads to a better understanding and agreement between the parties involved. Good communication skills results in good personality development

Following are the issues addressed in during the interactive sessions:

1. Importance of English language
2. Techniques to improve vocabulary
3. Techniques for group discussion
4. Techniques for interviews
5. Tips for resume writing

Report on
Personality Development under Communication Skills Development Program

Sessions on **Personality Development** under **Communication Skills Development Program** were conducted by Ms. Nandini Watwe an English expert and instructor, for the students of I, II YR MSC (CS), MSC(IT), I, II, III YR students of Biotech, BCA(SCI), BSC IT and BCS. A total of **744** students participated in the program.

Good communication skills results in good personality development

Personality development is the development of the organized pattern of behaviors and attitudes that makes a person distinctive. Personality development occurs by the ongoing interaction of temperament, character, and environment.

Following are the issues addressed in during the interactive sessions:

1. Persona as a mask
2. Determinants of personality development
3. SWOT analysis
4. S.M.A.R.T technique for achieving goals
5. Grooming and presentation skills

Introduction: Dept of Dramatics of Deogiri College, Aurangabad organized Writing and Direction: Work shop, 18 Students of are participated in work shop to get knowledge how to write play and how to direct play.

About Writing and Direction Work shop: In Drama Work Shop Raj Kumar Tange sir **Explain basic** Structure of Drama. And its form Drama follow a clearly defined narrative plot structure and contain literary elements—like characters, setting, and style—that help viewers analyze and interpret the story: sir explain following point it details

1. **Plot:** the storyline, and what happens during the film.
2. **Theme:** the overall meaning of the film.
3. **Characters:** the players who move the plot forward.
4. **Dialogue:** the words the characters speak in the film.
5. **Song:** traditionally, the rhythm of the actors' voices as they deliver their lines.
6. **Spectacle:** the visual elements and technical elements of the film, including body language, facial expressions, sound effects, and special effects.

1. If a character doesn't want anything, they're cluttering up your screenplay.
2. Not every scene needs to end dramatically, but you should feel satisfied with how it does end.
3. If you're struggling with what the next scene should be, try using it to answer a question posed in a previous scene.

Girl's Hostel Annual Programme Report

Event Name: International Yoga Day

21/06/2021

Celebration of International Yoga Day in the girl's hostel

Introduction:

Prime Minister Narendra Modi and the United Nations can be heartily credited for bringing International Yoga Day into existence. On September 27, 2014, during his speech at the UN General Assembly, Narendra Modi put forth his suggestion for the occasion of a 'Yoga Day'. Practiced in India since the 5th century, Yoga has been beneficial in keeping the body and mind in sound health. A holistic approach, Yoga targets all the different systems of the body and mind. The Asanas make the body strong and flexible, as health improves; the mind too is renewed with confidence. The practice of Pranayama regulates the purification of the internal system and the organs, acting as a superior and able supplement to Asanas. The energy that is generated in the body through these physical practices is then channelled into meditation or *Dhyan* for stability, peace and calm.

Objectives:

1. Yoga plays a significant role during the world crisis of Covid-19 as yoga boosts our immunity and it is known for curing respiratory disorders.
2. Pranayama or breathing exercises increase our oxygen intake by up to five times.
3. Through this rich oxygenation of blood to the brain, heart, lungs, and digestive systems; our organs functioning is vastly improved thus also improving our overall health.
4. As a healing and other alternative form of therapy, yoga helps to relieve stress and keeps the mind calm.

The Context:

International Yoga Day 2021: On the occasion of the seventh International Day of Yoga (IDY 2021) today, Prime Minister Narendra Modi addressed the nation today. The theme of the International Yoga Day event this year is '**Yoga for wellness**', a motto aligned to the current pre-occupations. We are celebrating the yoga day in every year. This is very energetic activity for the student. In pandemic situation yoga is most important. 15 student were presented for the yoga. Due to pandemic situation that's why no more student for the programme. Ku. Madhuri Lahase taught the students.

INTERNATIONAL YOGA DAY CELEBRATION

21 June, 2021

Deogiri College, Aurangabad and Bharatiya Yoga Sansthan New Delhi, jointly celebrated International Yoga day this year. Yogabhas and a Guest lecture were arranged on this auspicious occasion. Online Yoga Practice session from home with family and Online Guest lecture was arranged as per instructions given by Health ministry of government of India in the Pandemic Period of covid-19. Shri Sanjay Aurangabadkar, district Pradan, of Bhartiya Yoga Sansthan introduced Bharatiya yoga Sansthan for coordinating Yoga activities to Deogiri College.

The Programme was celebrated in two sessions Yoga Exercise and lecture. In the first session, Yoga exercise was performed in which Various Yogasana, Pranayam, Yogmudra and Dhyam (Meditation) were included. Dr. Kalwane and his Yoga Team guided the participants for Yoga Exercise. 150 Participants were joined online in the first session.

In the second session senior Yoga Teacher Dr. Uttam Kalwane from MIT college of Engineering Aurangabad, who received Krida Bharati Yoga Award, was invited for online lecture. In his speech, Dr. Kalwane explained the nature of Yoga in details. He explored the Ashtang Yoga (eight parts or steps of Yoga i.e. Yam, Niyam, Aasana, Prannayam, etc.). He told the key benefits of yoga for students. It helps to improve their concentration and memory for better performance in study. He also suggested some Yogic remedies for various problems, like weight loss, strengthening immunity. He further explained the relationship between Panch Mahabhute and Yogic Mudra. He also discussed shuddhi Kriya especially internal purification of body. Deogiri college's staff, including all teaching, non-teaching, students and Bhartiya Ygog Sansthan members have participated in the sessions. Vice Principal Dr. Dilip Khairnar, concluded the second session and offered vote of thanks.

Principal Hon. Dr. Thore directed the yoga committee to conduct the programme smoothly. The coordinator of the committee-vice principal, Dr. Mrs. C.S. Patil, Chairman of the committee-Dr. M. D. Autade and other Committee members took the efforts for the success of the programme.

Yoga is very useful to keep your health intact and boost your immune system during a corona infection. Deogiri College had conducted a yoga camp collaboration with, DITMS on Friday, 26/02/2021 at Deogiri College.. Yoga camp was organized under the guidance of yoga teacher Hon Mr. Subhash Malani who trained in the ashram of Yoga Guru Ramdev Baba at Haridwar,. In this yoga camp, yoga teacher Shri Malani performed various types of pranayama, yoga, kapalbhati, ujjayi bhrumari, etc. Finally, the yoga lesson ended with a peace shloka. . Professors, teaching staff and students of Deogiri college and DITMS were present for the yoga camp.

Principal
Deogiri College,
Aurangabad.

Special instructions were given regarding compliance with government rules regarding corona and only limited number of students were allowed for yoga camps. It was difficult to take a yoga camp in Corona's time, but the principal of Deogiri College, Dr. Thore, D. T. M. S. The director of Dr. Major Jadhav and Yoga Committee Coordinator Dr. C. S Patil Guided the camp. The program was conducted by the head of the yoga committee, Dr. M. D. Autade and the head of the English department of the college. Dr. Balaji Navale introduced yoga teacher Shri. Malani Thanked and attendees.

Subject: An appreciation for a Guest Lecture.

Dear Sir,

I would like to take this opportunity to thank you on behalf of the Microbiology Department and Deogiri College, Aurangabad for the inspiring speech on-**"Human Oncogenic Viruses"** that you gave to our students. It was obvious that you are extremely knowledgeable in your field, and can link this knowledge up to a great presenting style. It saw everyone captivated by the talk. I find that whole area of your expertise is truly fascinating and would ask that you consider a repeat performance at some future date. You are welcome at our college whenever your schedule allows.

Thanking you,

Yours sincerely,

Presentation of Committee Activities 2020-21

1. Title of the Activity/Event/Practice

Self Defense Karate Camp was jointly organized by M. S. P. Mandal's Deogiri College, Aurangabad and Wing Chun Association India for the girls in the Deogiri College girls' hostel on August 11, 2021.

2. Objectives of the Practice

1. The main objective of self-defense training is to empower you with techniques to handle an attack independently.
2. Increasing confidence in college girls and women.
3. Creating awareness about self-defense among college girls and women's.
4. To guide girls to form a capable, self-reliant and healthy generation.
5. Enhancing the physical capacity of girls.

3. The Context

Physical self-defense is the use of physical force to counter an immediate threat of violence. Such force can be either armed or unarmed. In either case, the chances of success depend on various parameters, related to the severity of the threat on one hand, but also on the mental and physical preparedness of the defender.

According to Victims of Sexual Violence: Statistics on Rainn, about "80 percent of juvenile victims were female and 90 percent of rape victims were adult women". In addition, women from ages 18 to 34 are highly at risk to experience sexual assault. Empowerment Self-Defense instructors focus on holding perpetrators responsible while empowering women with the idea that they have both the right and ability to protect themselves.

6. Problems Encountered and Resources Required

There were some problems and resources required for organizing the Self Defense Karate Camp. They are as follows:

1. Lack of awareness regarding Self Defense.
2. Lack of trained self-defense and karate instructors.
3. Depression about self-defense in girls.

7. Notes (Optional)

Such events create awareness among the students for nature and Tree plantation. Such events should be organized by the other institutions for the welfare of students. Along with these events other functions should be performed for the benefits of students to motivate and inspire.

Co-Ordinator / organizer of the event:

Mission Youva Covid-19 dose mohime

Medical Advisory Committee Report 2020-21

Introduction:

Medical Advisory committee and NSS cell of the Deogiri College Aurangabad jointly organised vaccination camp for the students. Vaccination Camp was organized According to Government Circular "Mission Youva Covid-19 dose mohime on 27/10/2021 & 29/10/2021 22/12/2021 and 04.01.22. under the guidance of Principal Deogiri College and Medical officers of Aurangabad Municipal Corporation. We are communicated with students in social media. NSS Volunteers took efforts for vaccination campaigning.

Since from December 2019 we are facing problems of corona due to this pandemic situation it is very difficult to survive and save the life so vaccination is the only remedy to minimise spread of pandemic. We recommended vaccination to the students and their family and to take initiative for awareness campaigning. Medical aid and Advice committee were arranging this campaigning for awareness with the students and taking all necessary precautions. Camp was inaugurated by giving covisheld dose to student.

Dr. C.S. Patil felicitated to Dr. Yogesh Jain and Dr. Sanjay Ratnaparkhe felicitated Principal Professor A.V. Tejankar. Dr. C.S. Patil explains the vision and mission of the camp. Camp was held at back side of Rabindranath Tagore Auditorium. All the Committee members of Medical Advisory committee and NSS programme officers were present. Chairmen Dr. Suchita Rajurkar, Dr. Aparna Taware Dr. Dr. S. B. Ubale, Dr. R. D. Ingle, Dr. A. B. Kangare, MSc. Students and all NSS volunteers were present and take efforts for the success of camp.

GROUP COUSESLING TO STUDENTS

Introduction:

The department of Psychology runs students counselling Center for students since 2001. The center conducts various types of testing and guide students in their academic problems. (aptitude testing for career guidance, Intelligence testing, memory testing etc.) The center also works for students emotional problems which play crucial role in their academic life. The center helps students in personal level as well as group level. It extends its service to out of campus whenever there is dire need. Counseling to family of the Farmer (Farmer Suicide Cases), counselling for Malin land slide (Pune district) affected people, counselling for drug compliance to Tuberculoses drug drop out patient Aurangabad Municipal Corporation hospitals and so many.

Department of Psychology of Deogiri College, Aurangabad regularly conducts sessions on psychological testing and coueseling for the students of commerce, science, arts, computer science and biotechnology. The students are given questionnaire to fill their responses and the responses are evaluated \

Details of the Activity:

The psychological testing and counselling cover the following issues:

Study Habits: The study Habit test helps to students how to improve their academic performance. There are 8 fields on which the students get feedback and they are as follow

- a) Budgeting Time
- b) Physical condition
- c) Reading Ability
- d) Note taking
- e) Learning Motivation
- f) Memory
- g) Taking Examination
- h) Health

Budgeting Time: Time management is very important a of study. Sometimes the students have other responsibility rather than study so the to schedule their timing properly so that they can give sufficient time for study.

Physical Condition: Physical setting is also an important factor affecting on study. Selective attention is needed when the students live in noisy setting. Concentrating on specific stimulus and neglecting unwanted stimulus can be possible in emotional stable students. If the student is anxious then he cannot concentrate on study. So physical setting is very important.

Reading Ability: Reading ability of the students depends on many factors, the medium of the reading materials, if the reading material in student's mother tongue then the speed of the reading is more than the other language. The practice of reading is another important aspect of variable which affect the speed of reading. When the student get feedback about his current position on reading speed s/he can improve if needed.

Note taking: Taking note in the lecture is a skill and students have to learn it by practice. The organization of learning material is done properly, it help to remembering. So note taking is very much important for recall. Students can improve the skill when they get the feedback on the test.

Learning Motivation: Apart from ability to ability to learn, desire to learn is an important consideration. If one is genuinely interested in learning he may learn quickly and retain it for long time. There are individual differences in capacity to learn. Everybody can improve with extra efforts, spirits of competition and co-operation helps in learning.

Memory: Improving memory means learning better. Distributing learning period is preferable to continuous or massed learning. The better we learn the longer we retain. Over learning helps in remembering for a longer period.

Taking examinations: Most of our examinations are easy type where a few questions are given and students are required to write long answers. It is good to prepare an outline and arrange the idea properly, following a logical pattern of presentation. Use of simple language is advisable.

Health: Regular and healthy habits of eating, exercise, recreation and sleep help in maintaining good health and sound mental state which is necessary to achieve success in the examination. In the study habit test the student is given feedback on the scale.

Google drive is a service to store, shares, and access your files and folders from any mobile device, tablet, or computer—and your first 15GB of storage are free. It is a cloud base service. From Gmail service users are allowed to send up to 25 MB size files. This service is not feasible for sending or sharing file size more than 25 MB. To overcome this inconvenience Google drive is the solution. It is a cloud based service which offers service to the users to share drive up to 15 GB without any charges. Users are allowed to share data more than 15GB by paying reasonable charges. Nowadays each official person from different organizations are availing the services provided by Google Drive.

It is highly important to make students aware of this feature of Google drive. So Hands-on session on Google drive has been conducted for M.Sc. (I.T.) FY (Ist Sem) students on 27th Feb 2021. In response, the students had conducted the E-submission of their assignments in the form of PDF file for the Continuous Evaluation for academic year 2020-2021(IST term). The students of FY had uploaded their Assignments for all subjects as well as mentoring form in the pdf or image format to the Google drive.

Following are the steps:

1. Login to your Gmail from personal account.
2. Select Google Drive from the app picker
3. Upload a Document: Select the **up arrow** just to the right of the "Create" menu on the left side of the screen. Then select the "**Files...**" menu item.
4. Select a file to upload. Navigate to the file you wish to upload and link to. Select "**Open**".

Use of Google Drive

Google provides services for the different applications which are needed for the official works. Google drive is a service to store, shares, and access your files and folders from any mobile device, tablet, or computer—and your first 15GB of storage are free. It is a cloud base service. From Gmail service users are allowed to send up to 25 MB size files. This service is not feasible for sending or sharing file size more than 25 MB. To overcome this inconvenience Google drive is the solution. It is a cloud based service which offers service to the users to share drive up to 15 GB without any charges. Users are allowed to share data more than 15GB by paying reasonable charges. Nowadays each official person from different organizations are availing the services provided by Google Drive.

It is highly important to make students aware of this feature of Google drive. So Hands-on session on Google drive has been conducted for B.Sc. (I.T.) FY (Ist Sem) students on **20th March 2021**. In response, the students had conducted the E-submission of record book for the academic year 2020-2021(IST term). The students of FY had uploaded their record books in the pdf or image format of all subjects to the Google drive.

Following are the steps:

1. Login to your Gmail from personal account.
2. Select Google Drive from the app picker
3. Upload a Document: Select the **up arrow** just to the right of the “Create” menu on the left side of the screen. Then select the “**Files...**” menu item.
4. Select a file to upload. Navigate to the file you wish to upload and link to. Select “**Open**”.

1. Title of the Course: C Programming

2. Background of the course:

A successor to the programming language B, C was originally developed at Bell Labs by Dennis Ritchie between 1972 and 1973 to construct utilities running on Unix. It was applied to re-implementing the kernel of the Unix operating system. During the 1980s, C gradually gained popularity. It has become one of the most widely used programming languages, with C compilers from various vendors available for the majority of existing computer architectures and operating systems. C has been standardized by ANSI since 1989 (ANSI C) and by the International Organization for Standardization (ISO).

C is an imperative procedural language. It was designed to be compiled to provide low-level access to memory and language constructs that map efficiently to machine instructions, all with minimal runtime support. Despite its low-level capabilities, the language was designed to encourage cross-platform programming. A standards-compliant C program written with portability in mind can be compiled for a wide variety of computer platforms and operating systems with few changes to its source code.

3. Brief information about the department:

The department of computer science, I.T. & Animation under the guidance of the head of the department Dr. S.N. Helambe runs under graduate and post graduate courses in B.Sc. I.T., BCA(sci.), B.Sc.(Opt. Comp. Sci.), B.Sc.(Comp. Sci.), M.Sc. (C.S.), M.Sc. (I.T.) as well as B.Voc.(Multimedia & Animation). Department also runs Add-On courses for skill development for the students.

4. Objectives:

The course is designed to provide complete knowledge of C language. Students will be able to develop logics which will help them to create programs, applications in C. Also by learning

the basic programming constructs they can easily switch over to any other language in future.

5. Expected Outcomes:

- Explain the fundamental process of problem solving using computers
- Design algorithmic solutions for simple computing problems
- Write reliable C programs for given algorithms.

Principal

Aurangabad.

Head
Department of Computer Science
Deogiri College Aurangabad.

- Design, implement, test and debug programs that use different data types, such as simple variables, strings, arrays, pointers and structures
- Write C programs for simple applications using files

At the end of this course the students will be able to:

- Ability to analyze data
- Ability to think logically and creatively
- Ability to solve scientific problems
- Ability to apply knowledge to practical situations and write program for it .

Report on

**“IBM Open P-TECH demystifying emerging technology for students
Activity”**

A memorandum of understanding was made between Deogiri College, Aurangabad and MINDMAP learning Hyderabad. The term of the MOU was from 16th October 2020 to 31st March 2021.

MINDMAP provided assistance to students to enroll on IBM Open P-TECH platform and to access various courses on the platform. MINDMAP monitored the progress of the students via the platform and provided Digital IBM Badges to the students who successfully completed the course including the final assessment.

254 students of the Department of Computer Science, IT & Animation, participated in the various courses and were rewarded with digital IBM Badges and certificates. The students who participated benefited with the knowledge of the latest trends and technologies in the field of information technology which is useful for their career.

Enclosed:

02nd June, 2021

Dear Madam/Sir,

The National Education Policy (NEP)-2020 has placed renewed emphasis on 'how to read', 'learn to read', 'read to learn' and underscored the critical role played by Public/School/Digital libraries towards this end. The P.N. Panicker Foundation has been a key contributor in this area.

2. Honouring the father of the 'Library Movement in Kerala', the late Sri. P.N. Panicker, the State Government of Kerala has been celebrating 19th June as the 'Day of Reading' and the following week as the 'Reading Week' since 1996. This initiative commenced in collaboration with P.N. Panicker Foundation, paved the way for the launch of Reading Mission 2022. In furtherance of the lofty objectives of this Mission, the Hon'ble Prime Minister inaugurated the 22nd National Level Reading Day and Reading Month celebrations at Kochi on 17th June 2017.

3. In view of the pandemic, the celebrations this year will be held online. Further, they will comprise a variety of Covid-awareness related activities including webinars on Covid appropriate behaviour. The target audience is to include School/College students, teachers, faculty members and librarians. Your State/UT may organise similar activities with an enhanced focus on promoting online/offline reading.

4. The Reading Mission stands to benefit greatly from your engaged leadership in this regard. May I request you to direct all District Magistrates (DMs) of your State/UT to virtually chair District Level Organising Committees as in earlier years. The DMs may be advised to guide the Reading Mission towards the envisioned outcomes by 2022 in the larger interest of our children and the nation.

With warm regards

Yours sincerely,
(Dr. Prem Singh)

A State level webinar on “**Digital Library: Specially for Visually Impaired Student**” was conducted by the Dept. of Library, M.S.P. Mandal's Deogiri College, Aurangabad on 25th July, 2021.

This workshop was conducted online on Sunday 25/7/2021 for all visually impaired students in Maharashtra on behalf of Library and Knowledge Resource Center at Deogiri College of Marathwada Shikshan Prasarak Mandal.

**(Principal
Deogiri College,
Aurangabad.**

The chief guest of the workshop was inaugurated by Dr. Ashok Tejanekar, Incharge Principal of Deogiri College. At this time, the Vice-Principal of the college, Dr. C. S. Patil, Vice-Principal Dr. Dilip Khairnar, Vice-Principal, Dr. Anil Ardad and Online Workshop Coordinator Librarian Dr. Sudesh Dongare were the Present.

Librarian Dr. Sudesh Dongre, Coordinator of the one-day state-level workshop on 'Digital Library: Specially Visually Impaired Students', introduced the event with an example of why the workshop was organized. Along with the visually impaired students entering the college, the blind students from the society and the state as a whole should be fearless, highly educated, should be able to use the reading material available in the library. Similarly, the facilities available in the library for the visually impaired students as well as the visually students were mentioned in detail. The benefit of the library can be availed even without coming to the library. Such as M-OPAC, e-Books, e-News Papers, last year's question papers available on the college's website as well as the annual issue of the college.

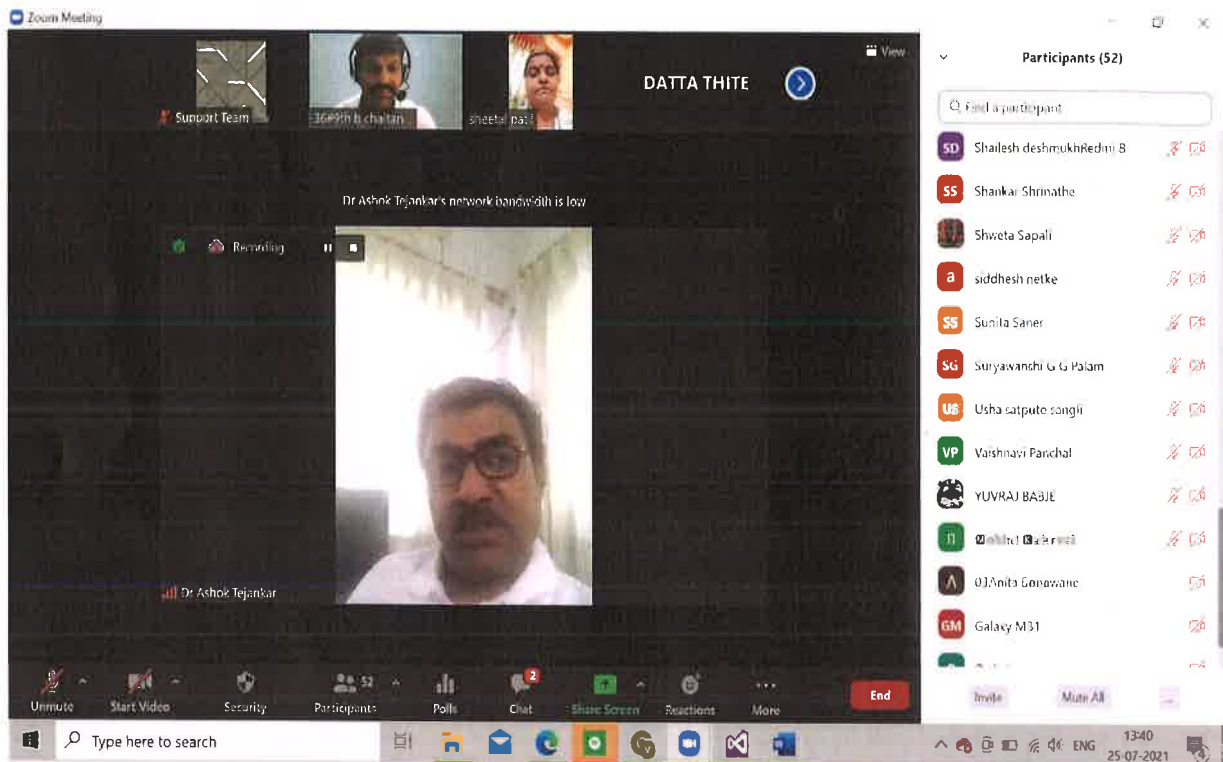

While introducing the program. Librarian, Dr. Sudesh Dongare

The library also has NVDA, JWAS, Low Vision Software, Magnifire Glass, Braille Slate software so that study books for blind students can be read without the help of other readers. So with the

(Principal

Aurangabad,

help of computer tools available in the library, students can do their own writing, reading and studying without any help. With the help of Snehanvit Helpline Mumbai, there are a total number of 3884 books in the MP3 format for visually impaired student. Such as stories, Novels, Banking, Railway Recruitment, PSC, UPSC and other competitive exams as well as B.Ed, D.Ed, TET and Law. He informed the digital library to be taken by all the blind students in the state along with the blind students of the college.

While concluding the presidency of the event. In-charge Principal, Dr. Ashok Tejanekar.

Speaking at the concluding ceremony of this online state level workshop, the In-charge Principal of the college, Dr. Ashok Tejanekar said that in addition to the textbooks for visually impaired students, there are also textbooks available in MP3 format for blind student, such as Stories, Novels, Autobiographies, Banking, Railway Recruitment, MPSC, UPSC, and other Competitive Examinations. The library has a separate lab with software called NVDA, JWAS as well as software called Low Vision and OCR. That is why the number of visually impaired students in our college is always higher than other colleges in the state. These students have completed their college education and are working in different places today.

Dr. Ashok Tejanekar

Delivered lecturer by Mrs. Darshana Mudodkar, Counselor, Eye way Helpdesk, Mumbai

Similarly, Mrs. Darshana Mudodkar, Counselor, Eye way Helpdesk, Mumbai, said, "Don't be discouraged, be self-reliant! We need to increase our self-confidence in the beginning so that we can live our lives properly only if we can do our own thing." How can a visually impaired student become self-reliant and self-sufficient by giving innumerable examples to survive and earn money, food, The basic needs of clothing and shelter can be met. The students were also informed about personality development. Opportunities for jobs in various places were mentioned. All of these events were conducted online through Zoom Meet.

News of the event was recorded on ADN Marathi News and Karjat Jamkhed Radio.

The workshop was attended by visually impaired students as well as students from different parts of Maharashtra

Along with visually impaired students in this workshop, 172 visually impaired students from Pune, Nashik, Mumbai, Nagpur, Amravati, Jalgaon, Akola, Kolhapur, various parts of the district, parents as well as some librarians in the library sector, social workers, Taluka and District level Zilla Parishad disability relief projects. Implementing Project Coordinator and Project Officer as well as Subject Resource Person of District Education and Training Institute, Aurangabad as well as Principal of District Education and Training Institute Jalgaon registered online participation. Feedback forms were filled out through Google Forms from all participating students about the information provided in the

Principal
Deogiri College

Orientation Program. Certificates for immediate participation were distributed online to students who filled out and submitted feedback forms.

Skill Oriented Course
Training in Soil Testing

Title of the Course: Training in Soil Testing.

Background for the Course:

Department of botany Deogiri college conducts the training programmers for college students through the Training course in Soil Testing.

A majority of students does not possess marketable skills which is an obstacle in getting decent employment and improving their economic condition. A large number of college drop outs do not have access to skill development for improving their employability. Soil Health Management or soil testing of crop fields is one of the most important involvements under certificate course. Certificate course in Soil Testing/ Soil Health Management aims at promoting employability, awareness and establishment of soil testing labs in one of the components which are mainly located at district level. Therefore, village level soil testing projects will be established with the objective of employment generation for rural youth and to improve timelines in analysis of soil samples.

Brief information about the Department:

Department of Botany Besides the undergraduate and post graduate courses, the Department of Botany is the department undertaken many Research Projects completed and few UGC sanctioned projects ongoing. The Department is a recognized Research Center by Dr. Babasaheb Ambedkar Marathwada University, Aurangabad and is actively engaged in research work in Angiosperms, Taxonomy, Floristic, and Mycology. The college has taken initiatives towards social responsibility in reclamation of soil quality by starting Bio fertilizers and its production as self-financed course for the students from agricultural background. With this objectives department started training course for the students

- To conducts the training programmers for college students.
- Employment generation for rural youth.
- To improve timeliness in analysis of soil samples.
- Collaboration with Government Agriculture Soil testing Department.
- Provide soil testing facilities to farmers at their door step.
- To create awareness about soil health and organic farming in the College Students
- **Brief description of Job roles:**
- Analyses soil samples of the farmer's fields and can provide balanced fertilizer dose for successful crop production to be taken by the farmers and run it profitably.
- Collect the uniform, representative soil samples from the farmer's fields.
- Convince the farmers for soil health improvement by advising the correct soil amendment of problematic soils.
- Suggest organic sources of plant nutrients based on soil testing results

SOIL TESTING ACTIVITY

Department of Botany has 80% students from rural area and 45% students are from farmer's family. To increase the awareness about soil health we started the soil analysis facility in the department. This activity runs with the collaboration of Government Agriculture soil testing institute. Samples were collected from student's native place and analysis were done free of cost. Farmers of Marathwada region facing drought or insufficient irregular rain fall from last few years. Because of this we all facing economic crisis. To minimize effect of drought on the crops one can concentrate on soil fertility.

Soil Testing is well recognized as a sound scientific tool to assess inherent power of soil to supply plant nutrients. The benefits of soil testing have been established through scientific research, extensive field demonstrations, and on the basis of actual fertilizer use by the farmers. Soil testing was initiated in the country in the beginning of planning era by setting up of 16 soil testing laboratories during 1955. Government of India has been supporting programme during different plan periods to increase the soil analyzing capacity in country. Planners and agriculturalists have recognized the utility of the service fully but it suffers due to inadequate scientific support in its execution.

To provide the soil testing laboratories with suitable technical literature on various aspects of soil testing, including testing methods and formulations of fertilizer recommendations etc.

Soil analysis is a valuable tool for farm as it determines the inputs required for efficient and economic production. A proper soil test will help ensure the application of enough fertilizer to meet the requirements of the crop while taking advantage of the nutrients already present in the soil. It will also allow determining lime requirements and can be used to diagnose problem areas. Soil testing is also a requirement for farms that must complete a nutrient management plan.

In this pandemic situation it is very difficult to conduct soil testing training for undergraduate students. Therefore, we are conducted online lectures, practicals and training programme for B.Sc. II year students of Botany, Deogiri College Aurangabad in regular online classroom. Total 70 students attending regular lectures. We are conducted 5 lectures and 3 practicals. Department also organized one guest lecturer. Departmental staff actively participated in every programme. Online lectures, tests and viva conducted by staff:

Letter of Gratitude

To,

Dr.S.T.Kayande

Warm greetings,

I express sincere thanks for your valuable online talk to our students of MSc and BSc Botany on the subject "Soil Testing- Need of Farmers" On Date 28/07/21.

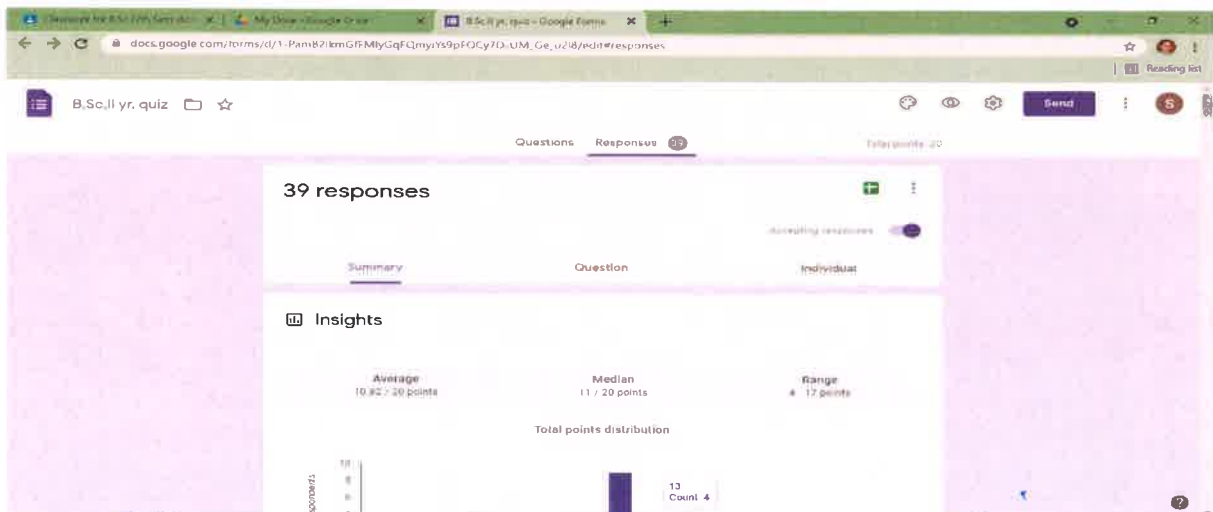

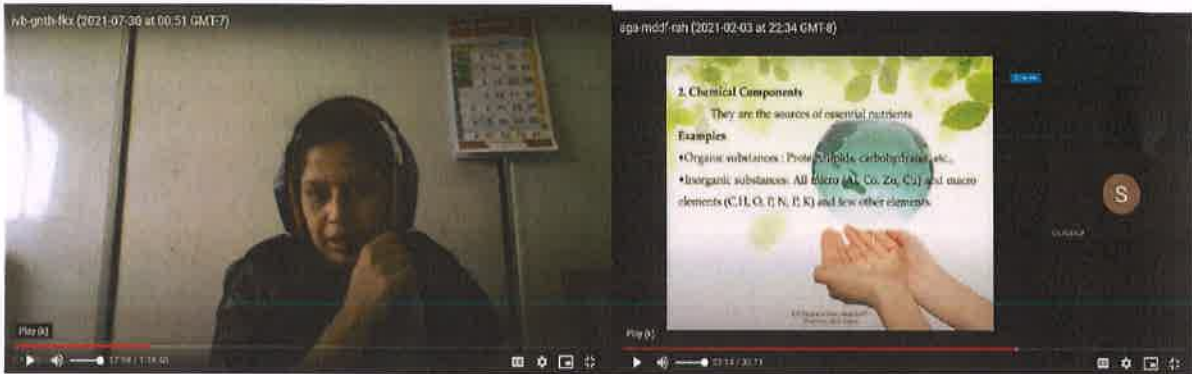

Your motivational talk will certainly be beneficial and will encourage our students in shaping their career. It gives me immense pleasure in issuing this letter of gratitude to you. I am hopeful you will be guiding our students in the future as well. This institute will be indebted for your contribution. Thanking you.

PROGRAM REPORT
RECENT TRENDS IN GEOLOGICAL SCIENCES

One Day National Webinar on “**Human impacts and anthropocene characters in a Holocene background recorded by geochemical studies**” was organized by Department of Geology, Deogiri College, Aurangabad in collaboration with **Rajarshi Shahu Arts, Science, Commerce College, Pathri, Phulambri Aurangabad**. The webinar was conducted online on 1st Sept. 2021 from 03.00 to 04.30 pm. This International Webinar was organized on the Zoom platform and 112 participants were present for the same.

The resource person **Dr. Ramamoorthy Ayammerumal** delivered his talk on *the decided topic*. He explained in detail the advanced trends and human impacts caused in a Holocene age due to the anthropogenic activities. The webinar was very fruitful for students and faculty in terms of understanding new trends in the geological sciences and new concepts in the subjects.

A Hands-on Handling session on Google Classroom 2020-21 was conducted by the Department of Computer Science and IT & Animation for the students of First Year BCS on Friday 12th November 2021 at 12:45pm.

Initially the students were given the ID and passwords for the Google classroom. They were instructed to download Google Classroom and Google Meet from the play store in their mobiles.

They were given demonstration as to how they should accept the invitation for the Google Classroom in the special Notice Board class which was created for them.

They were also instructed to accept the invitation for the Google Meet through the classroom.

Instructions and demonstrations were given by the faculty members of the department Ms. Pradnya Awate, Ms. Shivani Bhosle and were assisted by Ms. Jyotsna Gaikwad.

36 students registered their names for the Google Classroom and Google Meet. The students took keen interest in learning a new aspect of online communication and instructions.

Report on
Hands-on A Google Classroom

Department: Computer Science and I.T. & Animation

A Hands-on Handling session on Google Classroom 21 was conducted by the Department of Computer Science and IT & Animation for the students of First Year **BCA (Sci.)** on Friday **22th November 2021** at **10:30am**.

Initially the students were given the ID and passwords for the Google classroom. They were instructed to download Google Classroom and Google Meet from the play store in their mobiles.

They were given demonstration as to how they should accept the invitation for the Google Classroom in the special Notice Board class which was created for them.

They were also instructed to accept the invitation for the Google Meet through the classroom.

Instructions and demonstrations were given by **Dr. Yogita S. Patil**. **116 students** registered their names for the Google Classroom and Google Meet. The students took keen interest in learning a new aspect of online communication and instructions.

Report on

Skill Development for Industries

The department of Electronics has a MoU with "Bageshree Instrumentation Trainers and Consultants (BITC-2104)" for exchange and collaboration of academic activities. Under this MoU, the department of Electronics planned a "Skill Development for Industries" for B.Sc. Electronics students on 08th Dec 2021 from 1.00 PM. Accordingly, the activity was finalized after communication with Mr. Omprakash Barure, Director, BITC-2104, Aurangabad.

The program was inaugurated in presence of speaker Mr. Omprakash Barure in on-line mode and Dr. S.N.Helambe, Head, Dept. of Electronics, staff and students in offline mode. The introduction of speaker was given by Dr.Ms. Kanchan Pattebahadur, Assistant Professor, Dept. of Electronics, Deogiri College Aurangabad.

There is gap between University curriculum and actual Electronic technologies used in Industry. The industry is in need of skill manpower in the field of Electronics controls and advance electronics communication used for industrial control systems.

The main aim of this program was to make aware the students about skills required for Industrial Electronics control systems and the career opportunities in Electronics Industries. For getting ready to work for industry, students need to fill up the gap between curriculum and skill required for industry by completing add-on courses.

The speaker Mr. Omprakash Barure, Director, BITC-2104 highlighted the various Electronics practical skills required for Industrial automation and Mr. Bapusaheb Dhage focused on PLC Programming Languages such as Ladder Diagram, Sequential function charts, Function block diagram, structured text languages and SCADA.

Workshop on PCB Designing

The Department of Electronics has organized a three day workshop on "**PCB Designing**" on 09-12-2021 to 11-12-2021 in collaboration of "Originative Vision Electronics Pvt Ltd". The Department of Electronics arranges various kinds of workshops on continuous basis to enhance student's practical and technical skill and to make them compatible with industry. Accordingly, the activity was finalized after communication with Dr. Mayur Kumavat, Director, Originative Vision Electronics Pvt Ltd, Aurangabad.

The program was inaugurated in presence of speaker Mr. Mayur Kumavat in Off-line mode and Dr. S.N.Helambe, Head, Dept. of Electronics, staff and students in offline mode. The introduction of speaker was given by Dr.Ms. Kanchan Pattebahadur, Assistant Professor, Dept. of Electronics, Deogiri College Aurangabad.

The workshop was aimed to provide knowledge about Complete PCB Designing. PCB design software named "DIP trace" & to make physical PCB at home so that any student can make project on his own. Almost **25 students** from department of Electronics have participated in workshop.

Following content are covered in workshop:

- Schematic Design
- Layout Design
- Component Footprint Design
- PCB Design & Routing
- Etching of PCB
- Soldering of Components on to PCB.
- Testing of PCB

Department of Electronics, Deogiri College Aurangabad

(Principal
Deogiri College,
Aurangabad.)

On the first day of workshop, Dr. Mayur Kumavat has started with introduction of PCB Designing, benefits of the workshop and its applications. He explained Schematic Design of Circuit, PCB layout design on software, benefits of using DIP Trace, pointers to make precise schematic design and identification of electronic components. The participants also tried to identify the various electronic components and demo circuits provided.

On the second day of workshop, He delivered information to the students about printing of circuit on PCB and etching process.

On the last day of workshop, He focuses on drilling, component mounting and testing process.

The vote of thanks was proposed by Mr. Ajay Sable, Assistant Professor, Dept. of Electronics, Deogiri College Aurangabad.
